The New Brighton Area School District provides a full continuum of special education programs and services necessary to provide our students with a Free Appropriate Public Education in the Least Restrictive Environment.

The New Brighton Area School District has an on-going Child Study process used to identify students in need of special services and specially designed instruction. Child Study is conducted in each building, (elementary, middle and high school) through-out the school year. Requests can be made by contacting your child's guidance counselor. These programs and services are also available to New Brighton families who have enrolled their child in a private school. For further information please contact Dr. Marjory A Warnes at 724-843-1795 Extension 331
